HSC Rent/Utility Assistance Policies & Procedures

1 Introduction

Douglas County Human Services is responsible for administering the Housing Stabilization Collaborative (HSC) Rent/Utility Assistance Program, which is available to all eligible Douglas County residents.

The HSC partners with private, not-for-profit 501(c)3 corporations that provide affordable housing and supportive services for low-income populations. These agencies include, but are not limited to, The Ballard Community Center, the Willow Domestic Violence Center, Centro Hispano, East Central Kansas Economic Opportunity Corporation (ECKAN), Family Promise of Lawrence, Tenants to Homeowners, Lawrence Public Library, Lawrence Community Shelter, United Way of Douglas County, Catholic Charities of Northeast Kansas, Bert Nash Community Health Center, DGCO Reentry, Salvation Army, Success By Six, and the Lawrence Douglas County Housing Authority. The HSC accepts applications from both partnering agencies and individual, unaffiliated community members. If a household is already working with a partnering agency, that agency provides the processing and supportive services of that application. If a participant is not working with a partnering agency at the time of application submission, the HSC intends to refer them to a partnering agency to retrieve needed documentation and ensure the household is supported. The HSC is in constant partnership and communication with other programs to ensure education of, and enrollment in, other providers' programs. This document sets out the policies & procedures for the HSC Rent/Utility Assistance Program.

4 The Rent/Utility Assistance Program

4.1 Rent/Utility Assistance Program Aim

The aim of the Rent/Utility Assistance Program is to provide rent and utility assistance to prevent homelessness.

4.2 Rent/Utility Assistance Program Objectives

The objective of the Rent/Utility Assistance Program is to keep as many households as possible housed for one year from the date of application submission.

4.3 Eligibility Criteria

Due to funding constraints and access, eligibility criteria may change with little to no notice.

To be eligible for Project Funding under the Rent/Utility Assistance Program, an applicant must:

- (a) Have annual adjusted gross income lower than or equal to the 50% Area Median Income (AMI) according to the Department of Housing and Urban Development's (HUD) annual determination for Douglas County, KS. This limit may be found [here](#).

Income Eligibility – Very Low (50%) Income Limit – HUD 2024	
Household Size	Household Income
1	\$35,700
2	\$40,800
3	\$45,900
4	\$51,000
5	\$55,100
6	\$59,200
7	\$63,250
8	\$67,350

Douglas County employs guidelines as set forth in Chapter 5 of the [Department of Housing and Urban Development \(HUD\) Handbook](#)¹ in determining annual adjusted gross income. The following policies and procedures are direct quotes from this handbook.

Annual income is the amount of income that is used to determine a family's eligibility for assistance. Annual income is defined as follows:

- *All amounts, monetary or not, that go to or are received on behalf of the family head, spouse or co-head (even if the family member is temporarily absent), or any other family member; or*
- *All amounts anticipated to be received from a source outside the family during the 12-month period following admission or annual recertification effective date.*

Annual income includes amounts derived (during the 12-month period) from assets to which any member of the family has access.

¹ https://www.hud.gov/sites/documents/doc_35615.pdf

Self-attestation should be used whenever funding sources allow. Income information is defined in the Code of Federal Regulations, Title 24, Subtitle A, Part 5, Subpart B:

Income information means information relating to an individual's income, including:

(1) All employment income information known to current or previous employers or other income sources that Douglas County or other processing agency determines is necessary for purposes of determining an assistance applicant's or participant's eligibility for, or level of assistance in, a covered program;

(2) All information about wages, as defined in the State's unemployment compensation law, including any Social Security Number; name of the employee; quarterly wages of the employee; and the name, full address, telephone number, and, when known, Employer Identification Number of an employer reporting wages under a State unemployment compensation law;

(3) With respect to unemployment compensation:

(i) Whether an individual is receiving, has received, or has applied for unemployment compensation;

(ii) The amount of unemployment compensation the individual is receiving or is entitled to receive; and

(iii) The period with respect to which the individual actually received such compensation;

(4) Unearned IRS income and self-employment, wages and retirement income as described in the Internal Revenue Code, 26 U.S.C. 6103(l)(7); and

(5) Wage, social security (Title II), and supplemental security income (Title XVI) data obtained from the Social Security Administration.²

(b) Reside in Douglas County.

(i) Households living outside of Douglas County but in the 66044-66049 zip codes will also be included **if** the household's answer to the question "Where do you buy your groceries?" is within Douglas County.

(ii) Proof of address may be required in some circumstances. When required, the following document types will be valid:

- Utility bill from the past 90 days;

² <https://www.ecfr.gov/current/title-24/subtitle-A/part-5/subpart-B>

- Lease with verifiable signatures;
 - Bank statement;
 - Copy of government mail;
 - Voter registration card;
 - Vehicle registration;
 - Kansas driver's license with current address;
 - ID renewal postcard;
 - 3rd party verification from social service agency.
- (c) Submit and sign an online application.
- (i) Online applications and the eligibility criteria self-attested therein are valid for thirty days from date of submission unless otherwise determined by the HSPM.
- (d) Applicant must be selected through the lottery process.

4.4 Lottery Process

Lotteries occur when the amount of funding requested through the HSC application exceeds the amount of funding available to the program.

Before every lottery, the HSPM assesses funding to determine how many applications can be selected. Amount of funding available to each municipality is determined by the percentage of each municipality's renter population compared to the Douglas County renter population and the amount of funding available overall.

The first lottery utilizes 75% of the available funding and consists of applications who selected that their eviction status is "received a 3 day notice," "received other eviction notice," or "received a court date notice" and/or that their utility status is "past due, utilities currently disconnected."

The second lottery utilizes 25% of the available funding and consists of all applications not selected and/or not included in the first lottery.

Lottery entries are assigned a numerical value and then and then sorted to reveal the winners using a sequential order.

There is only one lottery per municipality for Baldwin City, Eudora, and Lecompton due to the low number of applications. These parameters are subject to change at any time depending on how many applications are received from these municipalities.

Lotteries occur once every two weeks.

4.5 Eligible project costs

Project Funding may only be applied towards "Eligible project costs". Eligible Project costs:

(a) Include only:

- (i)** current or past due rent paid directly to landlord;
- (ii)** one month of future rent *if* the household confirms need in the following month phone call;
- (iii)** security deposit paid directly to landlord;
- (iv)** utilities paid directly to landlord;
- (v)** utilities paid directly to utility company;
- (vi)** supportive Services Stipends (SSSs) paid directly to Memorandum of Understanding (MOU)-partnering HSC agency;
- (vii)** late fees accounted for in the lease, subject to HSPM's discretion;
- (viii)** current or past due rent paid directly to tenant when landlord refuses to participate in the program or other circumstances subject to the HSPM's discretion;
- (ix)** other fees subject to HSPM's discretion.

(b) Do not include:

- (x)** legal fees of any kind unless ordered by a district court judge;
- (xi)** mortgage payments.

4.6 Vendor Management

The Douglas County Clerk's office staff checks the landlords name against the property details related to the land management records held at the county. This check is done to confirm that the property exists and that the landlord or property manager listed on the application is the same as what was submitted on the HSC application. The clerk's office staff also checks to see if the property taxes have been paid as any funding issued by the county would go first to offset any taxes owed before being applied to rent payments associated with the tenant at their property.

There are times when staff will make an exception to pay a tenant directly because the landlord is unwilling participant in the program.

4.7 Issuing Payment

The HSPM compares every future payment to the data created through the vendor management process prior to submitting the payment for approval.

The HSC program manager or designee enters invoices into the county's finance system to initiate the payment.

ACH payments are unavailable. ACH payments may be made in consultation with the Treasurer's office on a case-by-case basis.

The list of vetted vendors for the AP that is being initiated should be attached to the AP batch.

4.8 Set-Aside Funding

In **date**, the HSC decided to set-aside funding for populations with known barriers to applying online – these population included Spanish-speaking, elderly, and households experiencing domestic violence.

Partner agencies who serve these households submit set-aside applications and have a pre-determined amount of funding per month for the benefit of these households. The Senior Resource Center and Centro Hispano are the current agencies.

4.9 Assessment of Eligibility

HSC Application Processors, after receiving the application from the HSPM, will assess eligibility from application inputs, source documents, and self-attestations of applicant.

4.10 Funding arrangements

Funding will remain with Douglas County unless restricted to 501(c)3 organizations as determined by funders. In the case that 501(c)3 financial sponsorship is needed, partners will be sought. Douglas County staff will perform all resource development, administration, and management.

Supportive Services Stipends (SSSs), as determined with individual agencies during the MOU writing process, will be disbursed on a quarterly basis. This is dependent on available SSS funding sources.

Douglas County does not owe SSS disbursements to any agencies who have not signed an MOU.

4.11 Application process

5.4 ESG-RUAP Program Standards

5.4.1 Program Period

The HSC-RUAP Program and all appropriate funding sources run on a calendar year cycle unless otherwise allowed.

5.4.2 Continued Eligibility Assessment

Eligibility will be assessed every three months.

5.4.3 Standard Rental Payment Percentage

When supporting a household with ESG-HP funding, Douglas County HS will pay 100% towards a household’s rental balance for up to three months. After this period of time, the Douglas County program manager will work with the case-worker and client to determine appropriate rental payment percentage based on household income and available resources and support networks. The following table will be applied:

Period of Assistance	Percentage of Rent Paid by Program
Arrears and 3 months*	100%
3-6 months	70%
6-9 months	40%
9-24 months**	30%

**During this period, service providers will work with household to save 70% of their income after fines, fees, and expenses are paid.*

***While local and state grant agreements stipulate a year-long grant program, HUD recommends up to 24 months of short-medium-term rental assistance. ESG funding will be used in tandem with local and state funding to achieve fidelity to HUD’s recommendations.*

Any deviation from the above table will be documented with household income and expenses and program reasoning.

Evaluations will be done every three months to determine eligibility and household self-sufficiency. If a household can pay their rent using 50% of their income or less and is determined to be self-sufficient in conference with the case manager and program manager, they will be exited from the program. The Arizona Self-Sufficiency Matrix, the HSC-HP Housing Stability Plan, and progress

towards the KHRC ESG Housing Stability Plan will be used to make this determination and will be kept in the program participant’s file.

5.4.6 At-risk of Homelessness Status Certification Procedures

The Douglas County HS Homelessness Prevention program will document a household’s at risk of homelessness status by first attempting to obtain evidence from a third-party, second by intake worker observation, and third by certification from the person seeking assistance.

9 Violence against Women Act – Emergency Transfer Plan

In Draft

Douglas County HS is committed to ensuring the safety of tenants, including those who are victims of domestic violence, dating violence, sexual assault, or stalking. To comply with the Violence Against Women Act (VAWA), Douglas County HS allows such tenants to request an emergency transfer assistance to move to a safe unit. Regardless of sex, gender identity, or sexual orientation, tenants may request assistance for an emergency transfer if they reasonably believe that there is a threat of imminent harm from further violence if they remain in their current unit. A tenant may also be eligible to transfer if they were a victim of sexual assault on the premises within the 90-calendar-day period preceding their request for an emergency transfer.

The eligibility requirements, documentation, confidentiality protections, transfer timing and availability, and safety and security of tenants are all identified in this plan, which is based on a model emergency transfer plan from the US Department of Housing and Urban Development (HUD). Tenants must expressly request a transfer following the procedures outlined in the plan. Even if a tenant is not in good standing, they may still request an emergency transfer if they meet the eligibility requirements.

To request an emergency transfer, a tenant must notify the Douglas County Human Services by submitting an email request to hsc@douglascountyks.org with the Subject Line “Emergency Transfer Request” for a transfer to the designated location. Douglas County HS will maintain the confidentiality of any information the tenant submits unless required by law, in an eviction proceeding or hearing regarding termination of assistance from the program, or with the tenant's written permission for a time-limited period. HP will also keep the new location of the dwelling unit confidential from the perpetrator(s) of the domestic violence, dating violence, sexual assault, or stalking.

Douglas County HS cannot guarantee that a request for transfer assistance will be approved or how long it will take to process a transfer request. However, Douglas County HS will act as quickly as possible to move a tenant to another unit subject to availability and safety. If a tenant does not believe a proposed transfer would be safe, they may request assistance to transfer to a different unit. If there are no safe and available units for the tenant, Douglas County HS or other MOU-partnered agency will assist them in identifying other housing providers that may have safe and available units.

While the transfer request is pending, tenants are encouraged to take reasonable precautions to ensure their safety. Tenants who have been victims of domestic violence or sexual assault can contact the National Domestic Violence Hotline or the Rape, Abuse & Incest National Network’s National Sexual Assault Hotline, respectively, for assistance in creating a safety plan. Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime’s Stalking Resource Center.
